

PUBLIC WORKS COMMITTEE
August 9, 2011

The Public Works Committee was called to order at 9:30 a.m.

Present were Glenn Anderson, Paul Hoheisel, and Street Supervisor Posey.

Discussion took place for obtaining prices to tar the recycling bin area, west entrance of City Hall, and the City Garage parking area as the paving crew will be in town for the street project on Evergreen. The Committee also asked Posey to board up the Bryant windows as it is a safety issue with the windows being broken. Posey said he would get to it within the next month.

Also discussed was the dirt hill on Cottonwood and was decided to have Karl Littler possibly level the dirt out. The beach cable at the entrance to the picnic area was talked about and the possibility of the Street Department build a gate.

The problem area at the catch basin behind Zup's Store will be researched by Posey and he will report back to the committee of his recommendations.

The meeting was adjourned at 10:25 a.m.

Respectfully submitted,

Rich Posey
