

CITY OF BABBITT
PUBLIC WORKS MEETING
September 26, 2011
9:45 A.M.

The Public Works meeting was called to order this date at 9:45 a.m.

Present were Rich Posey, Glenn Anderson, and Paul Hoheisel.

Discussion was held having the cardboard shed opened one extra day per week. At this time, it was decided to leave it open as is on Mondays from 8 a.m. to 4:30 p.m.

Also reviewed was opening up the back of the City Garage for people to haul brush and leaves; it was determined to leave as is because of safety issues with equipment and junk being hauled in also.

The two 1993 John Deere mowers would be placed for sale on Craig's List for \$3,500.00 or best offer.

The committee approved Rich Posey selling some of the old culverts at a price to be determined by him.

The meeting was adjourned at 9:50 a.m.

Respectfully submitted,

Rich Posey
