

CITY OF BABBITT
PUBLIC WORKS COMMITTEE
MEETING MINUTES
April 15, 2011

The Public Works Committee meeting was called to order at 9:39 a.m. this date.

Present were Glenn Anderson, Paul Hoheisel, and Rich Posey.

The purpose of the meeting was to select two candidates as summer help for the Street Department.

After reviewing the applicants, it was recommended that Posey recommend to the Council hiring Mike Solberg and Jake Anderson for Street assistance.

Also discussed was the dirt pile on Cottonwood and how to move it more quickly—recommend to call Northshore Mining to see if they might borrow us a loader with teeth on it, as the City loader is not equipped for handling hard dirt piles.

Class 5 will be hauled and leveled around the recycling bins in the next week or two.

A brief discussion was held on the dock area with erosion by the waters edge and how to control it better.

Respectfully submitted,

Rich Posey, Street Supervisor
